## Disneyland After Dark 2024: More 'Nites' Than Ever Before

Many Disneyland Resort guests love attending our Disneyland After Dark events! Disneyland After Dark events are separately-ticketed, themed evenings that include after-hours theme park and ride access (often with less wait times!), unique entertainment, beloved and sometimes rare character appearances, specialty food, beverage, and merchandise offerings, and so much more! We are thrilled that in 2024, we will hold more Disneyland After Dark 'nites' than ever before, with some popular themes returning, plus an all-new one...Disney Channel Nite!

Each Disneyland After Dark event begins with a three-hour pre-party mix-in at Disneyland Park from 6 p.m. to 9 p.m. PT before the party officially begins. In addition to all the themed fun brought to life just for the party, admission also includes commemorative keepsakes such as a souvenir credential and an event guide map, plus unlimited digital downloads of Disney PhotoPass photos taken throughout the party, which is a great way to capture treasured memories.

Whether a romantic at heart, a nostalgic Disney Channel enthusiast, *Star Wars* devotee or wanting to show Pride – these limited-time offerings are made for our guests! Here's the 2024 line-up.
