Even More Disneyland Resort Entertainment Returns in Early 2024

Calling all dreamers! Today, we announced that even more treasured Disneyland Resort entertainment offerings are scheduled to return in early 2024 – adding to the robust slate of shows and performances guests can experience throughout the year.

The “Magic Happens” parade will once again bring moments of magic from Walt Disney Animation Studios and Pixar Animation Studios films to life at Disneyland Park, beginning Feb. 2.

Disneyland Park will present two nighttime spectaculars for a limited time in early 2024, before “Together Forever – A Pixar Nighttime Spectacular” returns April 26 as part of the resort-wide Pixar Fest.

- 📍 The energetic “Mickey’s Mix Magic” performs Jan. 8-March 21 and April 15-25, enhanced with fireworks on select evenings.
- 📍 “Wondrous Journeys” returns for a special presentation in the spring, performing nightly with fireworks, March 22-April 14.

From these returning favorites to character encounters, live music and more, a guest could spend a full day and night enjoying entertainment across the resort. Additional offerings coming in 2024 include the all-new “Better Together – A Pixar Pals Celebration!” parade at Disney California Adventure Park debuting on April 26 and the return of “Fantasmic!” at Disneyland Park on May 24.
