First Look: Action-Packed, 'Incredibles'-Themed Family Competition Coming to the Disney Wish

It's no secret that the Disney Wish is going to be incredible. Our newest ship, debuting in summer 2022, will be jam-packed with activities and features brand new to Disney Cruise Line and today, we're revealing the latest details about yet another first-of-its-kind experience!

Guests may recall us teasing some pretty cool new programming in Hero Zone, a futuristic sports arena where our Guests will experience a brand-new kind of active family play. Now, we're so excited to share a first look at the super-powered family competition being developed exclusively for this space.

Introducing ... the **Incredi-Games**! Inspired by the dynamic characters of Pixar's "The Incredibles," this highly interactive, imaginatively produced game show will dare families to take on an incredible obstacle course with over-the-top physical challenges themed to the powers of the Parr family heroes and their good friend Frozone – no capes required!

- Heroes will first test their strength by busting through a "brick" wall during **Mr. Incredible's Power Punch**.
- **Jack-Jack's Whack-A Rac** will pit players against Rocky and his raccoon friends, who Guests might remember from "The Incredibles 2."
- Only the most flexible families will conquer the twists and turns of **Elastigirl's Stretch-O-Rama**.
- Family speedsters will be the front-runners of **Dash's Mad Dash Mayhem**.
- **Violet's Force Field Swing** will send supers soaring across a lava field. (Remember, we are using our incredible imaginations here!)
- The strong finish includes a cool down on **Frozone's Ice Slide**, where heroes will ascend to the highest peak and slide down the icy slope to victory.

This game show-style experience will be complete with high-energy hosts, adrenaline-pumping music, special effects and more that will have our Guests saying, "That was totally wicked!" (IYKYK) Which means it'll be just as enjoyable and entertaining for those who choose to watch from the sidelines as those who are immersed in the action. (Hero Zone has plenty of balcony viewing space for spectators to admire the fearless feats of their fellow cruisers.)

But those aren't the only heroics in store for this action-packed arena. Hero Zone will also be the new home of a Guest-favorite Disney Cruise Line experience: **Jack-Jack's Incredible Diaper Dash**! Now with more fanfare than ever before, this beloved competition will offer terrific tots the chance to compete for the coveted title of Diaper Dash Champion as they speed-crawl across a 20-foot track amid the cheers (and chuckles) of family, friends and adoring fans.

What's more, when Hero Zone isn't all decked out in super hero gear, it will be a free-play sports hub where Guests can enjoy some friendly competition with basketball, soccer and a variety of table-top games, including Ping-Pong, air hockey, foosball and shuffleboard.

We're already practicing our super skills in anticipation of these epic new experiences aboard the Disney Wish.
