Fall Favorites Return to Disneyland Resort with Wickedly Wonderful Magic For All Ages

Calling all fans of frightfully fun family experiences... the Halloween season will once again come to life at the **Disneyland** Resort! From Sept. 3 – Oct. 31, 2021, Guests will delight in the spooky fun of Halloween Time, at both **Disneyland** park and **Disney California Adventure** park. Guests will not want to miss all the treasured magic – from transformed Halloween-themed attractions and sightings of favorite Disney characters and villains, to seasonal décor and delightfully delicious treats. **Downtown Disney** District also gets into the spirit with delightful décor, seasonal treats and an all-new Halloween-themed pumpkin hunt, Pluto's Pumpkin Pursuit.

At Disneyland Park

As Guests stroll down Main Street, U.S.A. they'll be greeted by the familiar grin of the Mickey Mouse jack-o-lantern and the cleverly carved pumpkins of the Main Street Pumpkin Festival. Disney characters will be photo-ready in their Halloween best. In New Orleans Square, Haunted Mansion Holiday will feature a merry makeover of the beloved eerie estate, inspired by "Tim Burton's The Nightmare Before Christmas." And every night from Sept. 3 – Oct. 31, in Walt Disney's original park, Guests will enjoy a dreadfully delightful treat in the form of "Halloween Screams," a supernatural projection and special effects show. On weekend nights, "Halloween Screams" will take to the skies and enhance the mischief with fireworks.*

At Disney California Adventure Park

Under the spell of Oogie Boogie, favorite attractions will be transformed for the Halloween season. In Cars Land, Radiator Springs will become Radiator Screams, where residents decorate their homes for a unique Haul-O-Ween makeover and transform the attractions. Mater’s Junkyard Jamboree will become Mater’s Graveyard JamBOOree, and Luigi’s Rolickin’ Roadsters will change into Luigi’s Honkin’ Haul-O-Ween. The façade of Guardians of the Galaxy – Mission: BREAKOUT! will spark as the attraction transforms at night into Guardians of the Galaxy – Monsters After Dark, offering an exciting Halloween adventure filled with creepy creatures and thrilling drops. Over on Buena Vista Street, Mickey Mouse and friends will be throwing it back with old-fashioned Halloween costumes. Seasonal décor will add to the Halloween ambiance on Buena Vista Street. Guests can also snap a spooky selfie in front of the 10-foot-tall statue of the Headless Horseman holding his jack-o-lantern head to the sky.

Plaza de la Familia

Also in **Disney California Adventure** park, experience the return of Plaza de la Familia in Paradise Gardens from Sept. 3 – Nov. 2. This immersive, limited-time celebration is inspired by the tradition of Dia de los Muertos, with exciting live entertainment, festive foods, crafts and interactive experiences. Several times daily, Guests will be able to enjoy “A Musical Celebration of Coco,” a dynamic street show honoring Disney and Pixar’s “Coco” and the everlasting bonds of family. They will also be treated to Mariachi music at Paradise Gardens Bandstand, The World of Coco, an evocative art exhibit, a photo opportunity with a hand-animated figure of Miguel from “Coco,” as well as the iconic Arbol de la Vida (Tree of Life) photo location and memory wall.

Oogie Boogie Bash – A Disney Halloween Party

More excitingly spooky news! On 25 select nights, beginning Sept. 9 through Oct. 31, the separate-ticket, after park-hours event Oogie Boogie Bash – A Disney Halloween Party will add to the family friendly fun during Halloween Time.
